Biography

Corinne Hoisington is a full-time Professor of Information Systems Technology at Central Virginia Community College in Virginia, USA, training our future Executive Assistants, Personal Assistants, and Admins. Corinne also travels over 200,000 miles a year providing keynote motivational topics and training to corporations, administrative assistants, and tech conferences in over 70 worldwide cities, this year for such customers as the Microsoft Corporation, Cengage Learning, the international South by Southwest event, APC Conference, Capital One World Admins day, and many others.

Professor Hoisington is the recipient of the Microsoft Most Valuable Professional in Business and Computing. Corinne presently has authored over thirty textbooks with Cengage Learning/National Geographic such as the Microsoft Outlook 2019, Office 2019, Office 365, Office 2016, Windows 10, SharePoint, Technology Now, and Visual Basic 2017 with App Development.

Session: Microsoft 365: The Future of Office 365

Be on the front row of the latest reveal of Microsoft 365, the rebranding of Office 365, with powerful new tools for our busy remote and face to face offices.

In light of the pandemic that struck the world, and led to people working from home without any semblance of distinction between work and personal life, the Microsoft

technology world is changing. Be the first in your office to know how, and explore what new features are now available. The new user interface will now allow you to move a simplified toolbar to anywhere on the screen as you require, while using progressive disclosure to reveal commands contextually. Explore the game changers for your office world!
