Session: Face Off: Google vs Microsoft 365

A panel discussion with Neil Malek, Melissa Esquibel and Simon McCaskill

We've all heard the debates amongst people we know, declaring their passionate attachment to their chosen productivity platform and dismissing their rival. But which platform is better and for which jobs? For which types of organizations does each platform accelerate productivity? Which individual apps within these suites really shine and which could use a bit of polishing up.?

Come get the answers from the experts in this lively panel discussion.
